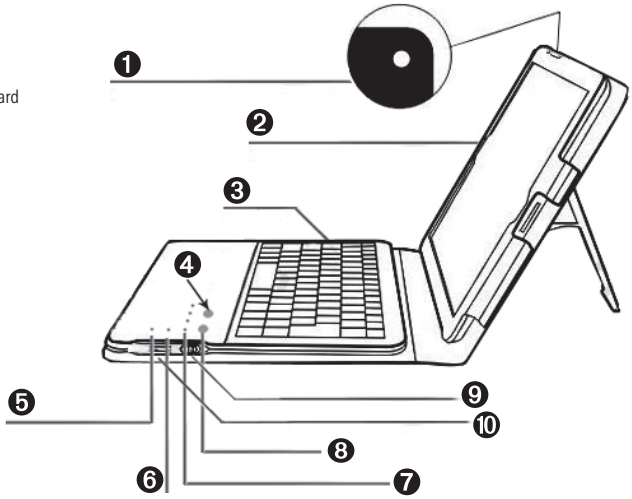
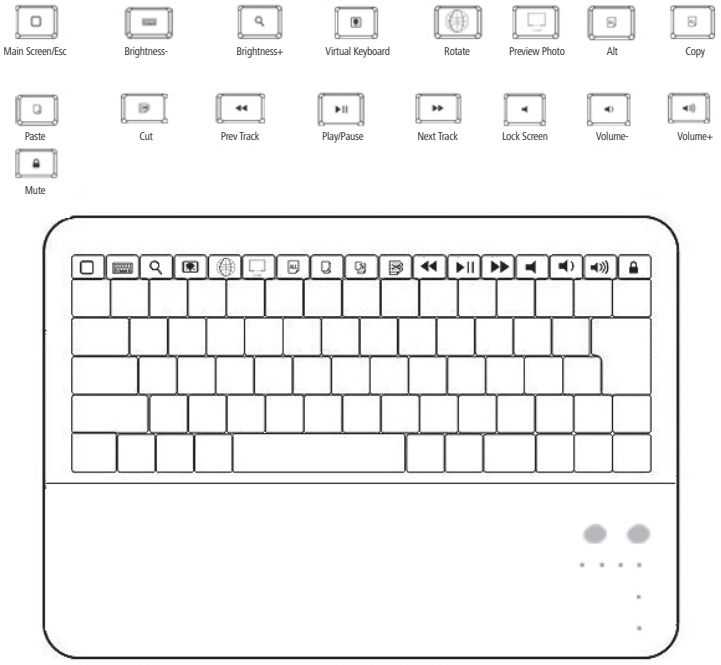
Contents:

1 x Wireless keyboard leather portfolio
1 x 5000mAh power bank Bluetooth keyboard
1 x Micro USB cable
1 x Micro USB to stander USB cable
1 x User manual

Product Layout:

1 - Cutout for iPad2 camera
2 - Leather case portfolio
3 - Keyboard
4 - Power bank button
5 - Charge light
6 - Pair light
7 - Power indication light
8 - Pair button
9 - Bluetooth Power on/off
10 - Micro USB charging port





Specifications:

Compatibility: designed for iPad2

Built-in Lithium rechargeable polymer battery capacity: 5000mah

Voltage: 3.7V

Power charge connector

Input: Micro USB charge 5V, 1A

Keyboard dimension:
W26cm x D18cm x H0.8cm

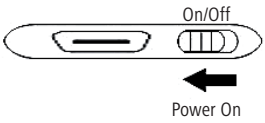
Keyboard weight: 380g

Charging time: output4.5hrs – 5hrs.
Input: 5.5-6hrs

Operating temperature: -20^{0}C - 55^{0}C

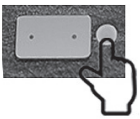
Storage temperature: -40^{0}C - 70^{0}C

Working distance: <10 meters



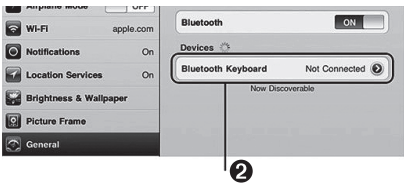
Bluetooth pairing Instruction:

1. Turn the keyboard power on.

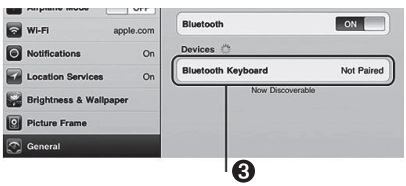


1. Press the pairing button, the Blue LED light will flash, which indicates that the keyboard is in pairing mode.
2. Tap the SETTINGS icon on the iPad screen to open Bluetooth. The iPad is now in pairing mode.

❶ Tap the iPad SETTINGS icon

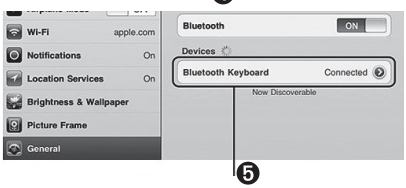


❷ Tap to open Bluetooth



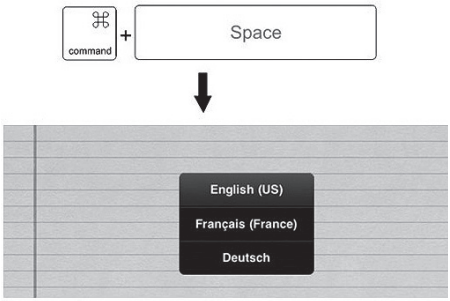
❸ iPad is in pairing mode. It will search for compatible Bluetooth devices

❹ The iPad and Dexim Keyboard will pair, please enter a password using the keyboard



❺ Successful pairing of the devices

3. When the connection has been successfully established, the pairing LED light will turn off.



Key combination
Command-Space: If multiple languages are installed, may rotate by pressing Space

5000mAh Power Bank Instruction:

Charging your iPad 2
1. Connect the micro usb to stander usb cable to keyboard

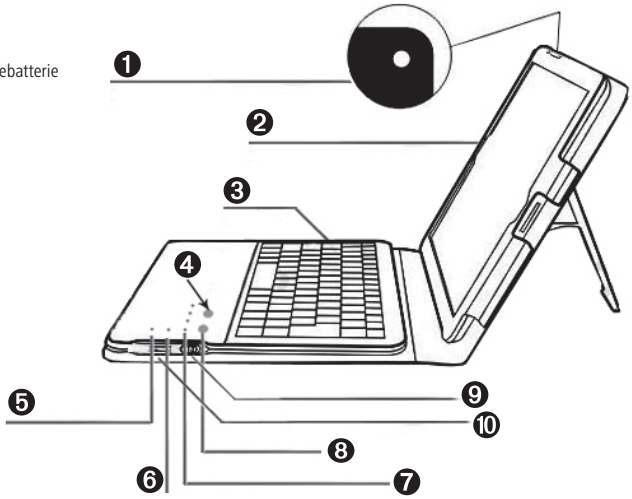
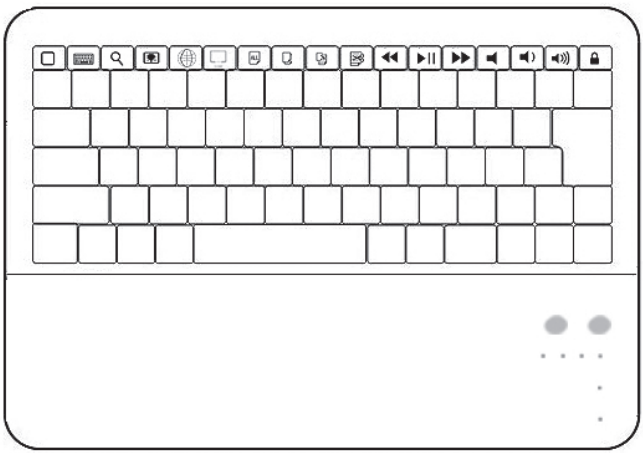
Inhalt:

1 x Drahtlose Bluetooth Tastatur mit Reservebatterie
1 x Ledertasche
1 x Micro-USB-USB-Ladekabel
1 x Micro-USB-USB-Verlängerung
1 x Bedienungsanleitung

Produktlayout:

1 - Ausschnitt für iPad2 Kamera
2 - Ledertasche
3 - Tastatur
4 - Schalter für Reservebatterie
5 - Ladeanzeige
6 - Verbindungsanzeige
7 - Anzeige für Reservestrom
8 - Verbindungsknopf
9 - An/Aus-Schalter
10 - Micro-USB Ladeanschluß





Eigenschaften:

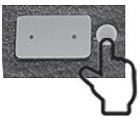
Kompatibel zu iPad2
Eingebaute wiederaufladbare Li-Polymer Batterie mit 5.000mAh
Spannung: 3.7V
Anschluss für Ladekabel

Maße Keyboard: B 26,0cm x T 18,0cm x H 0,8cm
Gewicht Keyboard: 380g
Ladezeit (Ausgang): 4,5 Std. – 5,0 Std.
Ladedauer (Eingang): 5,5 Std. – 6,0 Std.

Arbeitstemperatur: -20°C - +55°C
Lagertemperatur: -40°C - +70°C
Reichweite: < 10 Meter

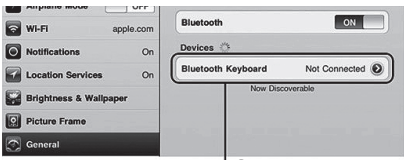
Bedienungsanleitung:

1. Schalten Sie das Keyboard ein.

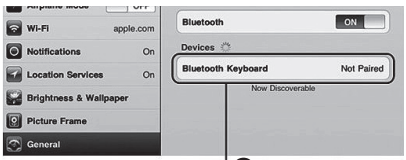


1. Drücken Sie den Verbindungsknopf, die blaue LED beginnt zu blinken und signalisiert damit die Verbindungsbereitschaft der Tastatur.
2. Öffnen Sie die EINSTELLUNGEN auf Ihrem iPad um im Bluetooth-Menü einen Verbindungsaufbau zu starten.

❶ Wählen Sie den EINSTELLUNGEN-Icon

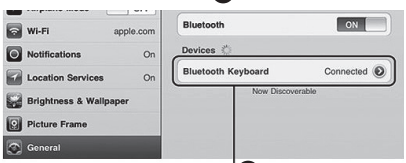


❷ Öffnen Sie BLUETOOTH



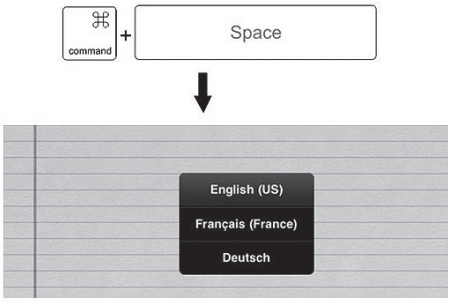
❸ Das iPad geht nun in den Verbindungs-Modus und sucht nach kompatiblen Geräten

❹ Das iPad und das Chesskin Keyboard werden sich nun finden, bitte geben Sie auf dem Keyboard das angegebene Passwort ein



❺ Die Verbindung der Geräte ist erfolgt

3. Sobald die Verbindung erfolgreich hergestellt wurde, erlischt die blaue LED.



Tastenkombination
Command+Leertaste: sollten verschiedene Sprachen installiert sein, können Sie diese mit der Leertaste durchwechseln.

So laden Sie Ihr iPad2 mit der eingebauten Reservebatterie 5.000 mAh:

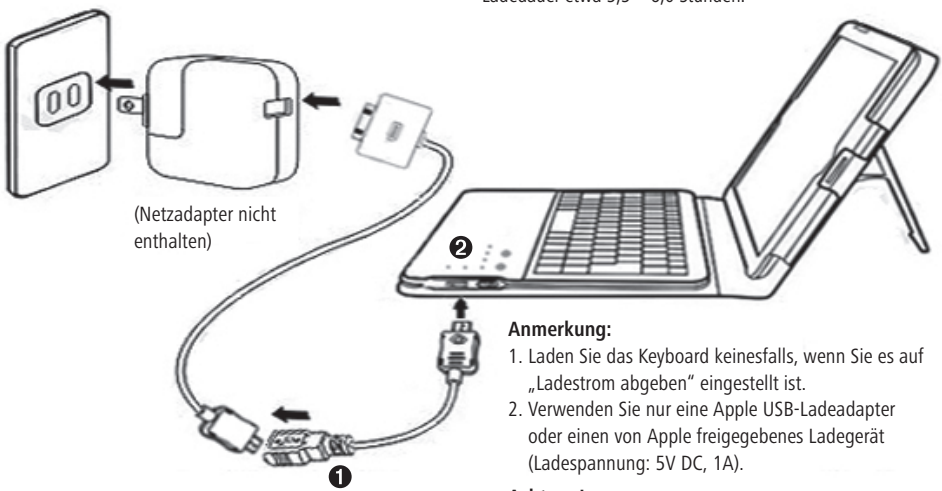
1. Verbinden Sie die Micro-USB- USB-Verlängerung mit Ihrem Keyboard
2. Verbinden Sie Ihr iPad2 Ladekabel mit dieser USB-Verlängerung.
3. Drücken Sie den Schalter der Reservebatterie für 3 Sekunden. Die LED wir daraufhin von links nach rechts blinken. Dies bedeutet, dass die Reservebatterie bereit ist, ein externes Gerät zu laden.
4. Verbinden Sie Ihr iPad-Ladekabel nun mit Ihrem iPad.
5. Drücken Sie den Schalter der Reservebatterie um die verfügbare Energie angezeigt zu bekommen. 1 LED = 10-25%, 2 LEDs = 50%, 3 LEDs = 75%, 4 LEDs = 100% Ladekapazität.

So laden Sie die eingebaute Reservebatterie 5.000 mAh:

❶ Verbinden Sie das Keyboard mit dem mitgelieferten Micro-USB-Kabel mit einem Standard-USB- Anschluß an Ihrem PC, Laptop oder Smartphone.

❷ Während die Batterie lädt, leuchtet die linke LED kontinuierlich. Sobald der Ladevorgang beendet ist, erlischt diese LED.

Ladedauer etwa 5,5 – 6,0 Stunden.



Anmerkung:

1. Laden Sie das Keyboard keinesfalls, wenn Sie es auf „Ladestrom abgeben" eingestellt ist.
2. Verwenden Sie nur eine Apple USB-Ladeadapter oder einen von Apple freigegebenes Ladegerät (Ladespannung: 5V DC, 1A).

Achtung!
Bei Verwendung dieses Gerätes beachten Sie bitte die notwendigen Sicherheitsaspekte zur Bewahrung Ihrer eigenen und der Sicherheit der Allgemeinheit!

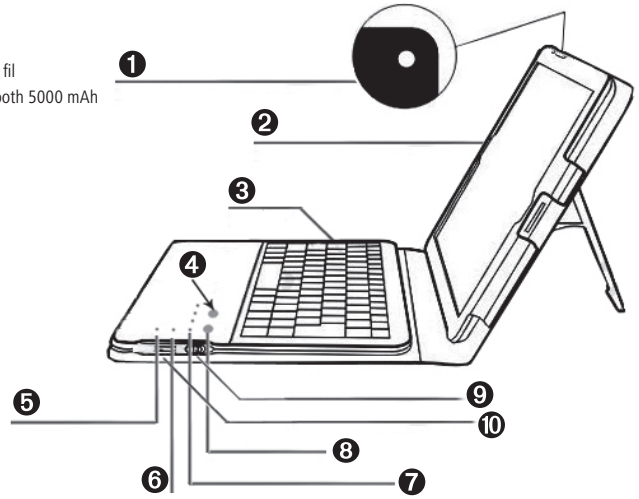
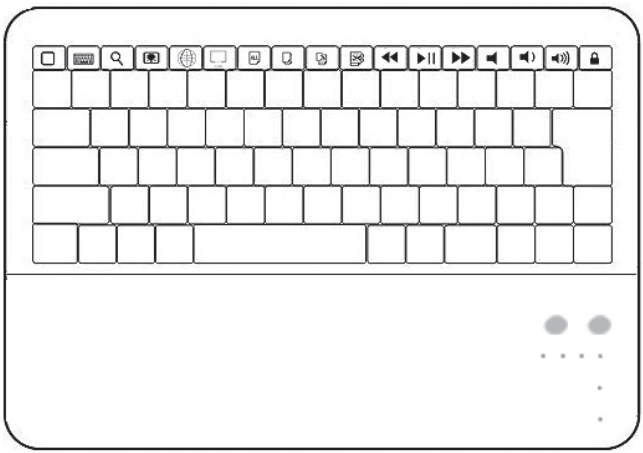
Contenu :

1 x porte-documents cuir pour clavier sans fil
1 x clavier à accumulation d'énergie Bluetooth 5000 mAh
1 x micro câble USB
1 x micro câble USB vers support USB
1 x mode d'emploi

Présentation du produit :

1 - Découpe pour appareil photo iPad2
2 - Porte-documents en cuir
3 - Clavier
4 - Bouton de l'accumulateur d'énergie
5 - Témoin de charge
6 - Témoin de connexion
7 - Témoin d'indication d'alimentation
8 - Bouton de connexion
9 - Alimentation Bluetooth on/off
10 - Port de charge micro USB





Caractéristiques techniques :

Compatibilité : conçu pour iPad2

Capacité de la pile polymère Lithium rechargeable intégrée : 5000 mAh

Tension : 3,7 V

Connecteur de charge

Entrée : Charge micro USB 5 V, 1 A

Dimensions du clavier : L 26 cm x l 18 cm x H 0,8 cm

Poids du clavier : 380 g

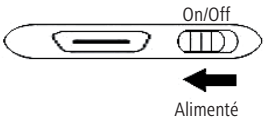
Temps de charge : sortie 4,5 h – 5 h.

Entrée : 5,5 - 6 h

Température de fonctionnement : -20°C - 55°C

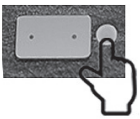
Température de stockage : -40°C - 70°C

Distance d'utilisation : < 10 mètres



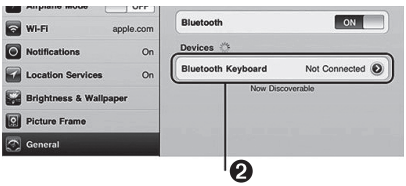
Instructions de connexion Bluetooth :

1. Mettez le clavier sous tension .

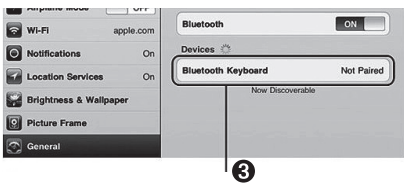


1. Appuyez sur le bouton de connexion, le témoin LED bleu clignote, ce qui indique que le clavier est en mode Connexion.
2. Touchez l'icône SETTINGS de l'écran de l'iPad pour ouvrir le Bluetooth. L'iPad est désormais en mode Connexion.

❶ Touchez l'icône SETTINGS de l'iPad

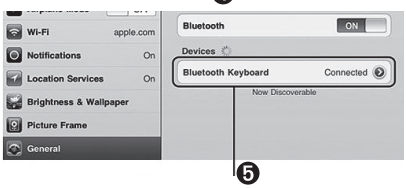


❷ Touchez pour ouvrir le Bluetooth



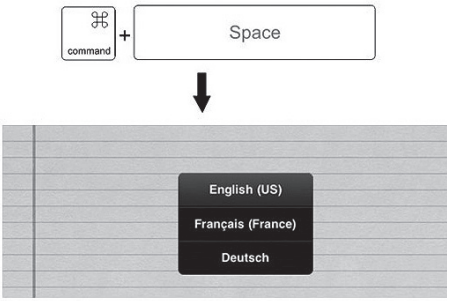
❸ L'iPad est en mode Connexion. Il recherche des périphériques Bluetooth compatibles

❹ Le clavier de l'iPad et du Dexim se connectent. Veuillez saisir un mot de passe au moyen du clavier



❺ Connexion des périphériques réussie

3. Une fois la connexion établie avec succès, le témoin de connexion LED s'éteint.



Combinaison de touches
Commande-Espace : Si plusieurs langues sont installées, possibilité de pivoter en appuyant sur Espace

Instructions de l'accumulateur d'énergie 5000 mAh :

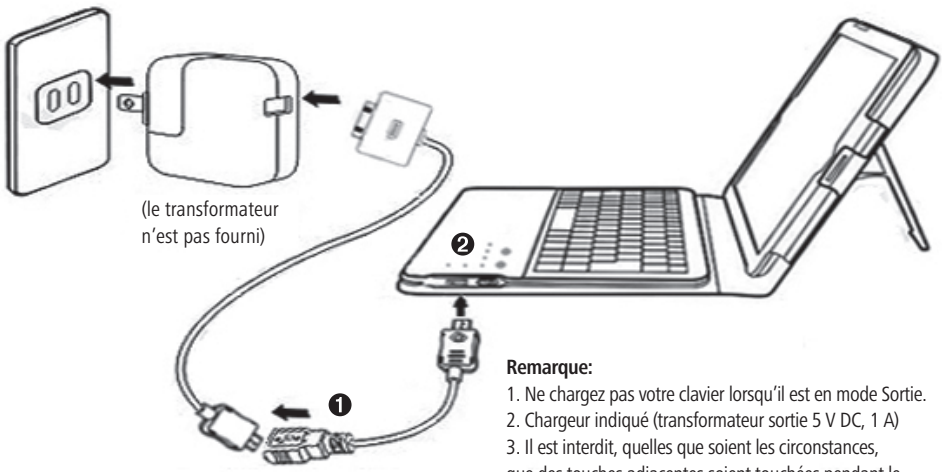
Mise en charge de votre iPad 2
1. Reliez le câble micro USB vers support USB au clavier.
2. Branchez le câble de votre iPad sur le port USB du support de l'accumulateur d'énergie.
3. Appuyez sur le bouton de l'accumulateur d'énergie et maintenez-le enfoncé pendant 3 secondes. Le témoin LED clignote de gauche à droite. Cela signifie que l'accumulateur d'énergie est prêt à recharger votre périphérique.
4. Branchez le câble de votre iPad sur l'iPad.
5. Appuyez sur le bouton de la batterie pour connaître le pourcentage d'électricité restant ; 1 témoin : 10-25 %, 2 témoins : 50 %, 3 témoins : 75 %, 4 témoins 100 %.

Mise en charge de la batterie:

❶ Branchez votre câble USB sur le port de chargement du clavier. Utilisez l'alimentation de votre smartphone, de votre ordinateur portable ou de votre PC pour le charger.

❷ Pendant que la batterie est en charge, le témoin LED gauche s'allume. Une fois que la batterie est entièrement chargée, le témoin LED s'éteint.

Temps de charge : 5,5 à 6 h



Remarque:
1. Ne chargez pas votre clavier lorsqu'il est en mode Sortie.
2. Chargeur indiqué (transformateur sortie 5 V DC, 1 A)
3. Il est interdit, quelles que soient les circonstances, que des touches adjacentes soient touchées pendant le fonctionnement normal.

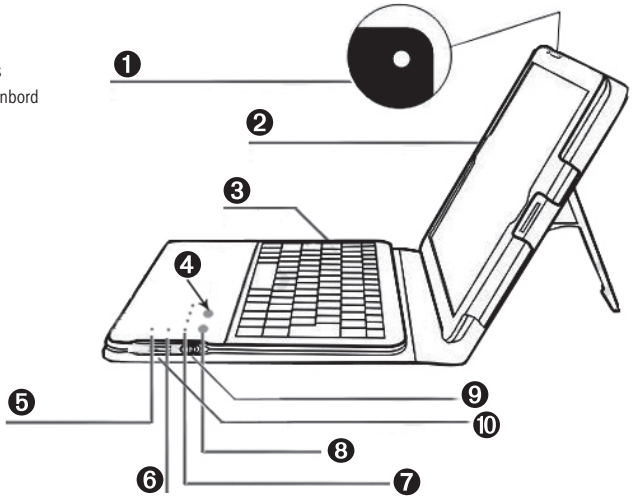
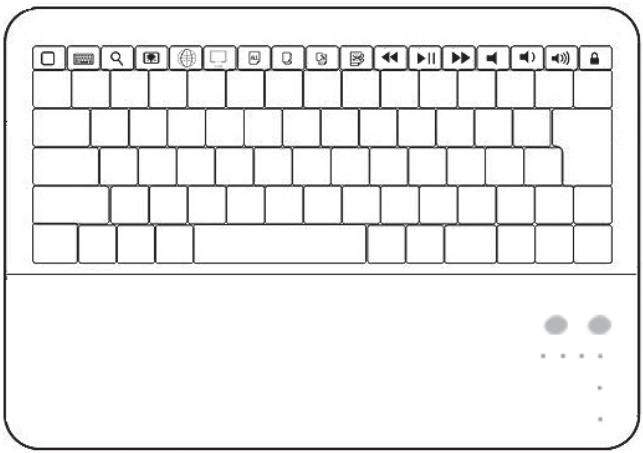
Inhoud:

1 x draadloos toetsenbord lederen draagtas
1 x 5000mAh power bank Bluetooth-toetsenbord
1 x Micro USB-kabel
1 x Micro USB naar staander USB-kabel
1 x Gebruikershandleiding



Productontwerp:

1 - Uitsnijding voor iPad2 camera
2- Lederen draagtas
3 - Toetsenbord
4 - Power bank-toets
5 - Oplaadlamp
6 - Koppelingslampje
7 - Stroomindicatielampje
8 - Koppelingstoets
9 - Bluetooth aan-/uitschakelaar
10 - Micro-USB oplaadpoort

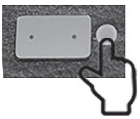


Specifications:

Compatibility: designed for iPad2
Built-in Lithium polymer battery capacity: 700mah
Voltage: 3.7V
Power charge connector
Input: Micro USB charge 5V
Keyboard dimension: W26cm x D18cm x H0.5cm (W10.24" x D7.1" x H0.2")
Keyboard and leather case weight: 597g
Standby time: 130days Approx.
Continual working time: 120 Hours
Charging time: 2.5hrs – 3hrs
Operating temperature: -20°C - 55°C
Storage temperature: -40°C - 70°C
Working distance: <10 meters

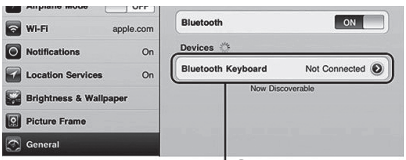
Specificaties:

1. Zet de stroom naar het toetsenbord aan .

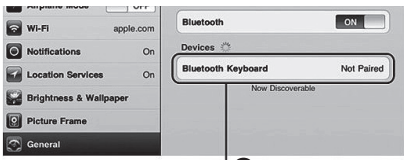


1. Druk op de koppelingstoets en het blauwe LED-lampje begint te flitsen om aan te geven dat het toetsenbord in koppelingsmodus is.
2. Tik op het pictogram voor INSTELLINGEN op het iPad-scherm om Bluetooth te openen. De iPad is nu in koppelingsmodus.

❶ Tik op het pictogram voor INSTELLINGEN op de iPad

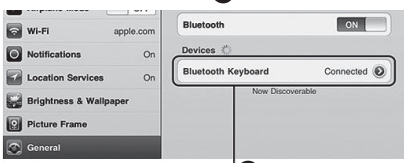


❷ Tik om Bluetooth te openen



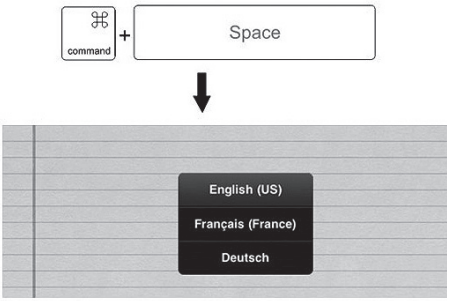
❸ iPad is nu in koppelingsmodus. De iPad zal naar compatibele Bluetooth-apparaten zoeken

❹ De iPad en het Dexim-toetsenbord worden gekoppeld, voer een wachtwoord in met het toetsenbord



❺ Succesvolle koppeling van de apparaten

3. Als de verbinding tot stand is gebracht, gaat het LED-lampje voor koppeling uit.



Toetsencombinatie
COpdracht-Spatie: Als er meerdere talen zijn geïnstalleerd, kunt u draaien door op spatie te drukken.

Instructies 5000mAh Power Bank:

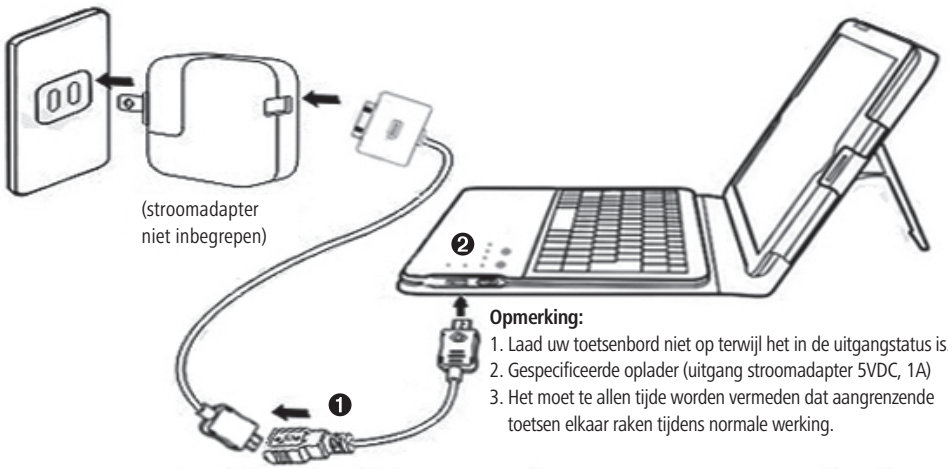
Laad uw iPad 2 op:
1. Sluit de micro-USB aan op de staander USB-kabel op het toetsenbord
2. Sluit uw iPad-kabel aan op de staander USB-poort van de power bank
3. Druk 3 seconden op de knop van de power bank. De LED zal flitsen van links naar rechts Dit betekent dat uw power bank gereed is om uw apparaat op te laden.
4. Sluit uw iPad-kabel aan op de iPad.
5. Druk op de batterijtoets om het percentage overblijvende stroom te kennen; 1 licht: 10-25%, 2 lichten: 50%, 3 lichten: 75%, 4 lichten: 100%.

Batterij opladen:

❶ Sluit uw USB-kabel aan op de oplaadpoort van uw toetsenbord. Gebruik de elektriciteit van uw smartphone, laptop of pc om op te laden.

❷ Tijdens het opladen van de batterij, brandt het linker LED-lampje. Als de batterij volledig is opgeladen, gaat het LED-lampje uit.

Oplaadtijd: 5,5 - 6 u



Opmerking:
1. Laad uw toetsenbord niet op terwijl het in de uitgangstatus is.
2. Gespecificeerde oplader (uitgang stroomadapter 5VDC, 1A)
3. Het moet te allen tijde worden vermeden dat aangrenzende toetsen elkaar raken tijdens normale werking.

Manuale d'istruzioni per l'accumulatore di energia per tastiera Bluetooth

GEITBA11

Chesskin 'unique'

Dotazione:

1 x custodia in pelle per tastiera in pelle

1 x accumulatore di energia per tastiera Bluetooth da 5000 mAh

1 x cavo Micro USB

1 x cavo Micro USB da collegare al cavo USB

1 x manuale d'istruzioni

Caratteristiche del prodotto:

1 - Incavo per la videocamera dell'iPad2

2 - Custodia in pelle

3 - Tastiera

4 - Pulsante accumulatore

5 - Spia di ricarica

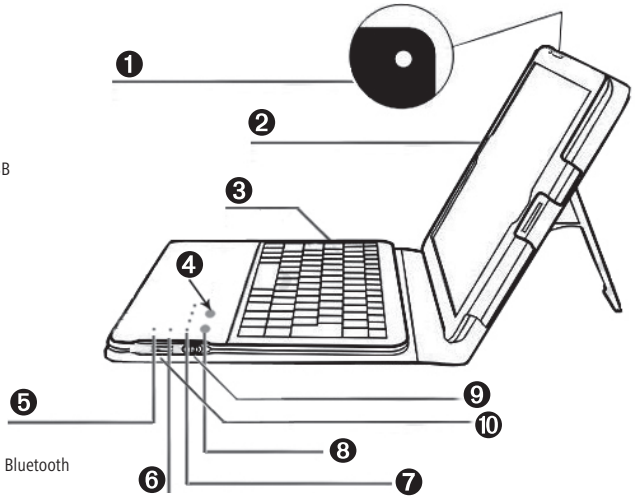
6 - Spia accoppiamento

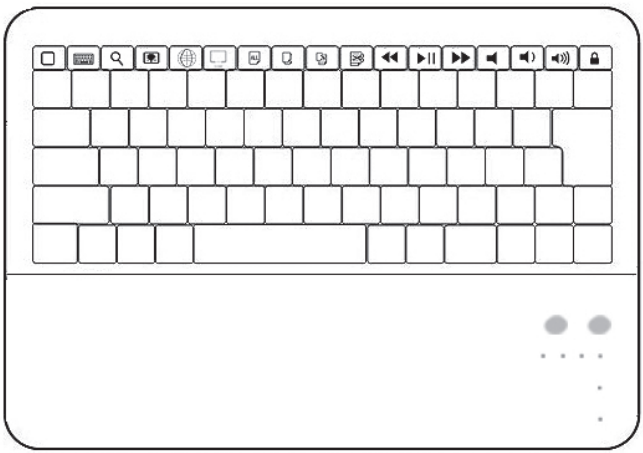
7 - Spia di alimentazione

8 - Pulsante accoppiamento

9 - Accensione/Spegnimento alimentazione Bluetooth

10 - Presa di ricarica Micro USB





Specifiche:

Compatibilità: per iPad2

Capacità della batteria ricaricabile ai polimeri di litio integrata: 5000 mah

Tensione: 3,7 V

Connettore di alimentazione

Presa di ingresso: Micro USB per ricarica da 5 V, 1A

Dimensioni della tastiera: Largh. 26 cm x Prof. 18 cm x Alt. 0,8 cm

Peso della tastiera: 380 g

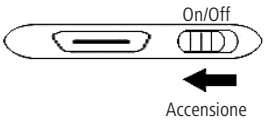
Tempo di carica: uscita 4,5 – 5 ore.

Presa di ingresso: 5,5-6 ore

Temperatura di esercizio: -20°C- 55°C

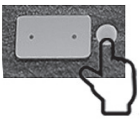
Temperatura di conservazione: -40°C - 70°C

Distanza operativa: < 10 metri



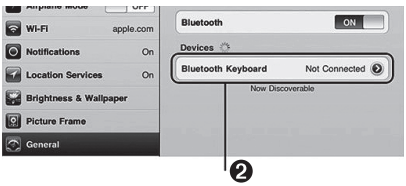
Istruzioni per l'accoppiamento Bluetooth:

1. Accendere la tastiera (vedi fig. in basso)..

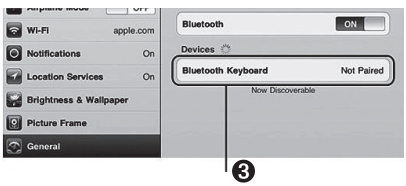


1. Premere il tasto di accoppiamento: il LED Blu lampeggia per indicare che la tastiera è in modalità di accoppiamento.
2. Selezionare l'icona SETTINGS (impostazioni) dalla schermata dell'iPad per attivare la funzione Bluetooth. L'iPad è in modalità di accoppiamento.

❶ Selezionare l'icona SETTINGS (Impostazioni) dell'iPad

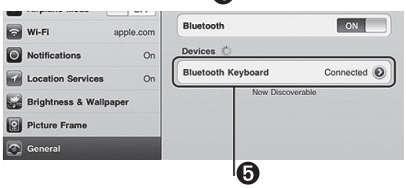


❷ Premere per attivare la funzione Bluetooth



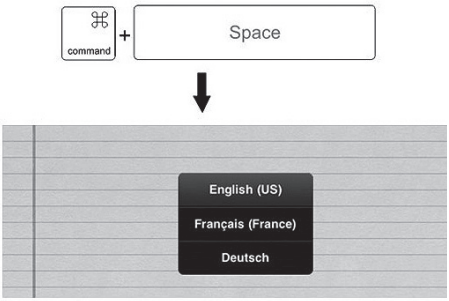
❸ L'iPad è in modalità di accoppiamento. Cercherà altri dispositivi Bluetooth compatibili

❹ Accoppiamento tra l'iPad e la tastiera Dexim in corso, digitare la password dalla tastiera



❺ Accoppiamento dei dispositivi eseguito correttamente

3. Dopo aver effettuato la connessione, il LED di accoppiamento si spegne.



Combinazione di tasti
Comando-Spazio: se sono state installate diverse lingue, è possibile visualizzarle in rotazione premendo Spazio

Istruzioni per l'accumulatore di energia da 5000 mAh:

Caricamento dell'iPad 2

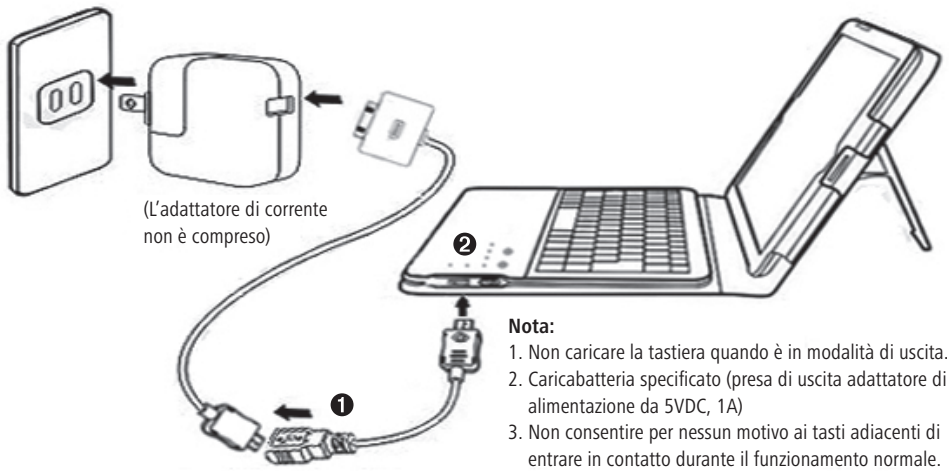
1. Collegare la presa micro USB al cavo UBS della tastiera
2. Collegare il cavo dell'iPad alla presa USB dell'accumulatore di energia
3. Premere il pulsante dell'accumulatore di energia per 3 secondi. Il LED lampeggia da sinistra a destra. Significa che l'accumulatore è pronto a caricare il dispositivo.
4. Collegare il cavo dell'iPad all'iPad.
5. Premere il pulsante della batteria per conoscere la percentuale di energia residua; 1 spia: 10-25%, 2 spie: 50%, 3 spie: 75%, 4 spie 100%.

Caricamento della batteria:

❶ Inserire il cavo USB nella presa di ricarica della tastiera. Utilizzare l'energia dello smartphone, del portatile o del PC per ricaricarla..

❷ Durante la ricarica della batteria, il LED di sinistra si illumina. Quando la batteria è completamente carica, il LED si spegne.

Charging time: 5.5-6 hrs



Nota:

1. Non caricare la tastiera quando è in modalità di uscita.
2. Caricabatteria specificato (presa di uscita adattatore di alimentazione da 5VDC, 1A)
3. Non consentire per nessun motivo ai tasti adiacenti di entrare in contatto durante il funzionamento normale.
